**CLASS ACTION COMPLAINT

INJUNCTIVE RELIEF AND  
INDIVIDUAL DAMAGES**

**COMPLAINT AT LAW**

NOW COME the Plaintiffs, DARNELL SMITH, DARREN NATHAN, GREGORY  
DAVIS, JEFF COLEMAN, PHILLIP OVERTON, MARQUE ROSS, MARK NEVILLES,

ANTHONY L. BROWN, CHRISTOPHER LOCKE, HECTOR FANTANEZ, MARCELL DAVIS, ANTHONY POLK, CALVIN JACKSON, CARL N. MCCORD, TIMOTHY THIGPEN, KEITH RIGGINS, JAMES SHINAUL, MARK NEVILLES, BRANDON BUFORD, MELVIN THOMPSON, DARION BEENE, SHANTAY JOHNSON, LAVESTER MCWANE, DEANDRE STEWART, STEVE MCABEE, HERBERT DYER, JR., ARTHUR STRINGER, JONATHAN JACKSON, ARTHUR MOTON, DUDLEY BURNS, EDGAR MARSHALL, JR., MICHAEL SANDERS, RASHAWN LINDSEY, SIDNEY BELL, and CALVIN JACKSON, individually and on behalf of a class of all others similarly situated, by and through their attorneys, ROMANUCCI & BLANDIN, LLC, THE CENTER FOR CONSTITUTIONAL LITIGATION, and THE GREGORY LAW FIRM, and for their Complaint at Law against Defendants, CITY OF CHICAGO, a municipal corporation, Chicago Police Superintendent GARRY MCCARTHY, Commander GLENN EVANS, and JOHN DOE OFFICERS 1 through 110, pleading hypothetically and in the alternative, states as follows:

**PRELIMINARY STATEMENT**

1. This is a civil rights action in which named Plaintiffs, on behalf of themselves and a class of similarly situated individuals, seek relief for Defendants' violation of their rights, privileges, and immunities secured by the Civil Rights Act of 1871, 42 U.S.C. §1983, the Fourth and Fourteenth Amendments to the United States Constitution, Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000(d), et seq. ("Title VI"), and the Constitution and laws of the State of Illinois.

2. The Defendants in this action, the CITY OF CHICAGO ("City"), Chicago Police Superintendent GARRY McCARTHY ("McCARTHY"), and DOE OFFICERS 1-110 have implemented and are continuing to enforce, encourage and sanction a policy, practice and/or

custom of unconstitutional stops and frisks of City residents, including Plaintiffs, by the Chicago Police Department (“CPD”) which are being done without the reasonable articulable suspicion required under the Fourth Amendment.

3. In addition, this pattern and practice of unconstitutional stops and frisks by CPD officers often have used, and continue to use, race and/or national origin, not reasonable suspicion, as the determinative factors in deciding to stop and frisk individuals in violation of the Equal Protection Clause of the Fourteenth Amendment. The victims of such racial and/or national origin profiling are principally African-American and Hispanic males.

4. The CPD’s widespread constitutional abuses have flourished as a result of, and are directly and proximately caused by, policies, practices and/or customs devised, implemented and enforced by the City and its final policymakers, including Superintendent McCARTHY. The City and Superintendent McCARTHY have acted with deliberate indifference to the constitutional rights of those who would come into contact with CPD officers by: (a) failing to properly screen, train, and supervise CPD officers; (b) inadequately monitoring CPD officers and their stop and frisk practices; (c) failing to sufficiently discipline CPD officers who engage in constitutional abuses; and (d) encouraging, sanctioning and failing to rectify the CPD’s unconstitutional practices.

5. As a direct and proximate result of Defendants’ policies, practices and/or customs, hundreds of thousands of City residents, in particular African-American and Hispanic individuals, have been subjected to unconstitutional stops and frisks by CPD officers. Indeed, many African-American and Hispanic persons repeatedly have been victims of suspicionless stops and frisks by the CPD. Moreover, the CPD’s constitutional abuses have included unlawful searches and seizures and, at times, excessive force, of which the fatal shooting of Freddie

Wilson is but one tragic example. *See Private Bank & Trust Co. v. The City of Chicago*, No. 08-L-012698 (Ill. Cir. Ct.).

6. The named Plaintiffs seek to represent a certified class for the purpose of obtaining injunctive and declaratory relief only. The named Plaintiffs seek a class-wide judgment declaring that the policies, practices and/or customs described herein violate the Fourth and Fourteenth Amendments and a class-wide injunction enjoining Defendants from continuing such policies, practices and/or customs. In addition, the named Plaintiffs seek compensatory and punitive damages for themselves. All Plaintiffs seek an award of attorneys' fees and costs and such other relief as this Court deems equitable and just.

### **JURISDICTION**

7. Jurisdiction is conferred upon this Court under 28 U.S.C. §§ 1331 and 1343(3) and (4), as this action seeks redress for the violation of Plaintiffs' constitutional and civil rights under 42 U.S.C. § 1983 and 42 U.S.C. § 2000(d).

8. Plaintiffs' claims for declaratory and injunctive relief are authorized by 28 U.S.C. §§ 2201 and 2202 and Rule 57 of the Federal Rules of Civil Procedure.

9. Plaintiffs further invoke this Court's supplemental jurisdiction, pursuant to 28 U.S.C. § 1367(a), over any and all state constitutional and state law claims that are so related to the claims within the original jurisdiction of this Court that they form part of the same case or controversy.

### **VENUE**

10. Venue is proper in the United States District Court for the Northern District of Illinois pursuant to 28 U.S.C. §§ 1391 (b) and (c) because all of the relevant events occurred within this judicial district and, upon information and belief, all parties to this action reside

within this judicial district.

**B. Defendants**

47. Defendant CITY OF CHICAGO (“City”) is a municipal entity created and authorized under the laws of the State of Illinois. It is authorized under the laws of the State of Illinois to maintain a police department, the CPD, which acts as the City’s agent in the area of law enforcement and for which the City is ultimately responsible. The City assumes the risks incidental to the maintenance of a police force and the employment of police officers. The CPD’s operations include the operations as described herein. On information and belief, the law enforcement activities of the CPD are funded, in part, with funds from the federal government.

48. Defendant Chicago Police Superintendent GARRY MCCARTHY is and was, at all times relevant herein, the Police Superintendent for the City, and is and was responsible for, and the chief architect of, the policies, practices and/or customs of the CPD, a municipal agency of the City. He is and was, at all times relevant herein, responsible for the hiring, screening, training, retention, supervision, discipline, counseling and control of the police officers under his command who are or were employed by the CPD, including the Defendants named herein. He is sued individually and in his official capacity.

49. Defendant JOHN DOE OFFICER 1 is, and/or was, at all times relevant herein, an officer, employee and agent of the CPD, a municipal agency of the City. Upon information and belief, Defendant JOHN DOE OFFICER 1 has a badge number of 12064. He is sued in his individual capacity.

50. Defendants JOHN DOE OFFICERS 2 through 110 are, and/or were, at all times

relevant herein, officers, employees, and agents of the CPD, a municipal agency of the City. Defendants JOHN DOE OFFICERS 2 through 110 are sued in their individual capacities.

51. At all times relevant herein, Defendants Superintendent McCARTHY and other CITY OF CHICAGO policymakers have acted under color of state law in the course and scope of their duties and functions as agents, employees, and officers of the City and/or the CPD in engaging in the conduct described herein. At all times relevant herein, Defendants have acted for and on behalf of the City and/or the CPD with the power and authority vested in them as officers, agents and employees of the City and/or the CPD and incidental to the lawful pursuit of their duties as officers, employees and agents of the City and/or the CPD.

52. At all times relevant herein, Defendants JOHN DOE OFFICERS 1-110, Superintendent McCARTHY and other CITY OF CHICAGO policymakers have violated clearly established constitutional standards under the Fourth Amendment and the Equal Protection Clause of the Fourteenth Amendment of which a reasonable person would have known.

### **CLASS ACTION ALLEGATIONS**

53. Pursuant to Rule 23(a) and (b)(2) of the Federal Rules of Civil Procedure, the named Plaintiffs seek to represent a certified Plaintiff class consisting of all persons who have been or will be subjected by CPD officers to Defendants' policy, practice and/or custom of stopping or stopping and frisking persons in the absence of a reasonable, articulable suspicion that criminal activity is taking place, in violation of the Fourth Amendment, including persons stopped or stopped and frisked based on race and/or national origin, in violation of the Equal Protection Clause of the Fourteenth Amendment.

54. The members of the class are so numerous as to render joinder impracticable. Based on information made publicly available by the CPD, and recently publicized by the

American Civil Liberties Union (ACLU) of Illinois, hundreds of thousands of people are stopped or stopped and frisked each year by the CPD without reasonable, articulable suspicion of criminal conduct.

55. In addition, joinder is impracticable because, upon information and belief, many members of the class are not aware of the fact that their constitutional rights have been violated and that they have the right to seek redress in court. Many members of the class are without the means to retain an attorney to represent them in an individual civil rights lawsuit. Given the time, money and resources required to pursue a lawsuit, many attorneys are hesitant to do so in cases involving unconstitutional stop and frisks because of concerns that costs will exceed any potential recovery for the plaintiff(s). Moreover, many class members who have been victimized by the CPD's unconstitutional practices do not bring individual claims for fear of retaliation and reprisals by CPD officers. Accordingly, there is no appropriate avenue for the protection of the class members' constitutional rights other than a class action.

56. The class members share a number of questions of law and fact in common, including, but not limited to:

- a. whether the CPD engages in a policy, practice and/or custom of stopping and frisking members of the class in the absence of reasonable, articulable suspicion of criminal conduct required by the Fourth Amendment;
- b. whether the CPD engages in profiling on the basis of race and/or national origin in targeting class members for such stops and frisks in violation of the Equal Protection Clause of the Fourteenth Amendment;
- c. whether the CPD, incidental to such stops and frisks, conducts searches and seizures and uses excessive force in violation of the Fourth Amendment;
- d. whether the City, Superintendent McCARTHY, and other City policymakers have failed to adequately and properly screen, train, supervise, monitor and discipline CPD officers, and whether those failures have caused the constitutional violations inflicted by CPD officers against class members; and

- e. whether the City, Superintendent McCARTHY and other City policymakers have encouraged, sanctioned and failed to rectify unconstitutional stops and frisks by members of the CPD, and whether such acts and omissions have caused constitutional violations by CPD officers against class members.

57. The named Plaintiffs' claims are typical of those of the class. Like the other members of the class, the named Plaintiffs have been and likely will be again victims of the CPD's policy, practice and/or custom of suspicionless stops and frisks in that they have been and likely will continue to be, stopped or stopped and frisked with the reasonable articulable suspicion of criminal conduct required under the Fourth Amendment and on the basis of their race and/or national origin.

58. The legal theories under which the named Plaintiffs seek declaratory and injunctive relief are the same or similar to those on which all members of the class will rely, and the harms suffered by the named Plaintiffs are typical of the harms suffered by the class members.

59. The named Plaintiffs have a strong personal interest in the outcome of this action, have no conflicts of interest with members of the Plaintiff class, and will fairly and adequately protect the interests of the class. The named Plaintiffs are all African-American or Hispanic men and reside in and/or visit neighborhoods where CPD officers have been deployed and conduct stop and frisks. As long as the CPD engages in its policy, practice and/or custom of suspicionless stops and frisks, the named Plaintiffs are, and will remain, at high risk of being illegally stopped and frisked again by the CPD. Indeed, many of the named Plaintiffs have been victimized by CPD officers repeatedly. The named Plaintiffs are seeking compensatory and punitive damages only on an individual basis.

60. The named Plaintiffs are represented by Romanucci & Blandin, LLC, Center for Constitutional Litigation, PC, and the Gregory Law Firm. All are experienced civil rights

counsel who have litigated class action lawsuits and/or have extensive experience handling civil rights cases in federal court. Counsels for the Plaintiffs have the resources, expertise and experience to prosecute this action. Counsels for the Plaintiffs know of no conflicts among members of the class or between the attorneys and members of the class.

61. The Plaintiff class should be certified pursuant to Rule 23(b)(2) of the Federal Rules of Civil Procedure because the Defendants have acted on grounds generally applicable to the class, thereby making class-wide declaratory and injunctive relief appropriate.

### **STATEMENT OF FACTS**

#### **A. The Experiences of the Named Plaintiffs**

##### **i. Darnell Smith and Darren Nathan**

62. Plaintiff DARNELL SMITH is a 37-year-old African-American man who resides in the Englewood neighborhood of the City of Chicago. Plaintiff SMITH resides in and/or visits neighborhoods where CPD officers are and/or have been deployed and conduct stop and frisks.

63. Plaintiff DARREN NATHAN is a 49-year-old African-American man who resides in the Englewood neighborhood of the City of Chicago. Plaintiff NATHAN resides in and/or visits neighborhoods where CPD officers are and/or have been deployed and conduct stop and frisks.

64. On or about May 3, 2013, around 11:00 A.M., Plaintiffs DARNELL SMITH and DARREN NATHAN were visiting neighbors at or near the 6000 block of S. Paulina St. in Chicago, Illinois.

65. SMITH and NATHAN were speaking to a group of several friends on the front porch steps.

66. Without basis to formulate a reasonable articulable suspicion that SMITH,

NATHAN, or anyone in the group had engaged in or was about to engage in criminal conduct, Defendant Officers, JOHN DOE OFFICERS 1 and 2, pulled up in an SUV and approached the group.

67. Defendant Officers questioned Plaintiffs asking them if they had any weapons on them. The Plaintiffs responded in the negative.

68. Without consent and with no reasonable belief that NATHAN was armed or dangerous, JOHN DOE OFFICER 1 ordered NATHAN to put his hands up and began to pat NATHAN down and search his pockets and jacket.

69. JOHN DOE OFFICER 1 took NATHAN's wallet out of his pocket and pulled out NATHAN's ID.

70. NATHAN told JOHN DOE OFFICER 1 "you know you ran through my wallet for no reason and searched me without probable cause."

71. After finding no illegal contraband or weapons, JOHN DOE OFFICER 1 instructed NATHAN to go home.

72. At the same time, JOHN DOE OFFICER 2 had approached SMITH.

73. JOHN DOE OFFICER 2 had told SMITH and NATHAN that the officers "just wanted to make sure they weren't armed."

74. SMITH responded, "What makes you think I'm armed?"

75. JOHN DOE OFFICER 2 searched through all of SMITH's pockets and only found a phone charger. JOHN DOE OFFICER 2 stated, "Oh, you're not armed. We OK, right?"

76. Plaintiff SMITH asked for the Defendant Officers' badge numbers but they refused to give them to Plaintiff.

77. JOHN DOE OFFICERS 1 and 2 returned to their police SUV and drove away.

78. Plaintiffs SMITH and NATHAN did not see the Defendant Officers fill out a contact card or form.

79. These officers subjected SMITH and NATHAN to a suspicionless stop based on their race and/or national origin.

80. In a separate incident, on October 9, 2014, at around 10:00 P.M., Plaintiff SMITH was standing outside his and his grandparents' building, located at 6612 S. Paulina Street in Chicago, Illinois. SMITH was waiting for the food delivery man to deliver his food.

81. SMITH saw Defendant JOHN DOE OFFICERS 3 and 4 driving down the one way street traveling south. Defendant Officers then turned down the opposite side of the street than SMITH.

82. Without basis to formulate a reasonable articulable suspicion that SMITH had engaged in or was about to engage in criminal conduct, JOHN DOE OFFICERS 3 and 4 exited their unmarked car, asked Plaintiff SMITH why he was standing there, and whether he had any weapons. Plaintiff SMITH responded that he did not have any weapons and that his grandmother, who was watching the incident from a window, lived in the building behind them.

83. JOHN DOE OFFICERS 3 and 4 asked SMITH to step over to their car with them and SMITH refused the invitation.

84. With no reasonable belief that Smith was armed or dangerous, Defendant Officers patted SMITH down and put their hands in SMITH's pockets and removed all of his belongings, including his wallet and identification. They threw SMITH's wallet on the floor.

85. One of the Defendant Officers ran Plaintiff's identification on the police radio.

86. Plaintiff did not see Defendant Officers fill out a contact card or form.

87. After failing to find anything incriminating, the Defendant Officers left and did

not issue SMITH any citations.

88. JOHN DOE OFFICERS 3 and 4 subjected Smith to a suspicionless stop and search based on his race and/or national origin.

**ii. Gregory Davis**

89. Plaintiff GREGORY DAVIS is a 58-year-old African-American man who resides in the Woodlawn neighborhood of the City of Chicago. Plaintiff DAVIS resides in and/or visits neighborhoods where CPD officers are and/or have been deployed and conduct stop and frisks.

90. In July 2014, Plaintiff DAVIS was in his vehicle outside a Chase Bank located at 6650 S. Stony Island Avenue while he waited for his daughter's mother to come out of a Walgreen's store.

91. Without basis to formulate a reasonable articulable suspicion that DAVIS had engaged in or was about to engage in criminal conduct, JOHN DOE OFFICERS 5 and 6 pulled DAVIS over and positioned themselves on both sides of DAVIS's vehicle.

92. Defendant Officers asked DAVIS why he was sitting there and demanded DAVIS's driver's license and insurance information.

93. The Defendant Officers looked through the window into DAVIS's vehicle before allowing Plaintiff DAVIS to return to his nearby home.

94. Defendant Officers did not issue any citations. Plaintiff DAVIS did not see Defendant Officers fill out a contact card or form.

95. JOHN DOE OFFICERS 5 and 6 subjected DAVIS to a suspicionless stop based on his race and/or national origin.

96. In a separate incident in October 2014, Plaintiff DAVIS pulled out of his parking space near his home and made a left turn into an alley. Plaintiff DAVIS believed that another

vehicle was coming through the alley so he briefly stopped in the alley.

97. Without any basis to formulate a reasonable articulable suspicion that DAVIS had engaged in or was about to engage in criminal conduct, JOHN DOE OFFICERS 7 and 8 then put their lights on and pulled Plaintiff DAVIS over. Defendant Officers asked DAVIS for his license and registration.

98. The Defendant Officers asked DAVIS what he had in the car and asked to search DAVIS's car. Plaintiff DAVIS denied the Defendant Officers' request to search the car because they had no probable cause.

99. Defendant Officers took Plaintiff DAVIS's driver's license and insurance information and forced DAVIS to wait 20 minutes while they searched his background information.

100. Defendant Officers then told DAVIS he was free to go. DAVIS did not see Defendant Officers fill out a contact card or form.

101. These officers subjected DAVIS to a suspicionless stop based on his race and/or national origin.

**iii. Jeff Coleman**

102. Plaintiff JEFF COLEMAN is a 47-year-old African-American man who resides in the West Pullman neighborhood of the City of Chicago. Plaintiff COLEMAN resides in and/or visits neighborhoods where CPD officers are and/or have been deployed and conduct stop and frisks.

103. In August 2014, Plaintiff COLEMAN was a passenger driving with a friend heading east on Ashland Avenue in Chicago, Illinois.

104. Without any basis to formulate a reasonable articulable suspicion that Coleman had engaged in or was about to engage in criminal conduct, JOHN DOE OFFICERS 9 and 10 pulled COLEMAN's friend over at or near the intersection of Ashland Avenue and 95<sup>th</sup> Street in Chicago.

105. Defendant Officers asked COLEMAN and his friend if they had any drugs or weapons on them and ordered them out of their car.

106. With no reasonable suspicion that COLEMAN or his friend was armed or dangerous, JOHN DOE OFFICERS 9 and 10 asked COLEMAN and his friend if they had any weapons or drugs and proceeded to pat down and frisk them.

107. COLEMAN asked the Defendant Officers why they were being stopped and frisked, but the Officers refused to answer or provide any reason for the stop or frisk.

108. Without any basis to formulate a reasonable articulable suspicion that COLEMAN or his friend had engaged in or was about to engage in criminal conduct, Defendant Officers asked the men if they could search the trunk. COLEMAN and his friend did not consent to the search.

109. Plaintiff COLEMAN informed the Defendant Officers he knew several Chicago police officers and did some political work in the neighborhood. COLEMAN and his friend were then permitted to continue on their way without being issued a citation.

110. JOHN DOE OFFICERS 9 and 10 subjected COLEMAN to a suspicionless stop, frisk and unlawful search based on his race and/or national origin.

**iv. Phillip Overton**

111. Plaintiff PHILLIP OVERTON is a 36-year-old African-American man who resides in a West Side neighborhood of the City of Chicago. Plaintiff OVERTON resides in

and/or visits neighborhoods where CPD officers are and/or have been deployed and conduct stop and frisks.

158. JOHN DOE OFFICER 21 ran Plaintiff DYER's license through the police computer system in his car.

159. After it was revealed that DYER had no outstanding warrants or holds, he was let go without being arrested or issued a citation.

**B. CPD's History of a Policy, Practice and/or Custom of Suspicionless Stops and Frisks**

434. The CPD has a history of conducting suspicionless stops and frisks which traces back to sweeps of high-crime neighborhoods in the 1980s. A review of how *Terry* stops have been used in Chicago demonstrates a persistent problem—inadequate training, supervision and monitoring of law enforcement in minority communities.

435. In the early 1980s, the Chicago Reporter found that more than 100,000 citizens were arrested for “disorderly conduct” during sweeps of high-crime neighborhoods. These arrests were usually preceded by a stop and frisk. These cases almost never resulted in convictions because the police generally did not show up in court to defend the arrest. An ACLU lawsuit successfully challenged this practice and, as a result, disorderly conduct arrests and their accompanying stops and frisks plummeted. *Michael Nelson v. City of Chicago*, 83-C-1168 (N.D. Ill.).

436. These unnecessary stops and arrests alienated African-American and Hispanic communities in Chicago. In the 1990s, organized *Terry* stops re-emerged under the “gang loitering ordinance.” That ordinance—later struck down by the U.S. Supreme Court—resulted in more than 40,000 arrests over 18 months of enforcement. *See City of Chicago v. Morales*, 527 U.S. 41 (1999). Massive numbers of people were arrested and searched, often without a legally justifiable reason, for refusing to follow dispersal orders. In reality, the ordinance was a method for stopping and searching young men of color.

437. In the early 2000s, unwarranted stops and searches were still commonplace. In

2003, the ACLU filed a lawsuit on behalf of Olympic Gold medalist Shani Davis and several others, challenging a series of humiliating stop and frisk searches by Chicago police. *See* Complaint for Plaintiffs, *Davis v. City of Chicago*, 219 F.R.D. 593 (N.D. Ill. 2004), (No. 03 C 2094), 2003 WL 23800673.

438. Data collected in connection with that suit showed a pattern of unjustified stops and searches, resulting in the unnecessary detention of young people, mostly young people of color. As a result of the *Davis* lawsuit, the Chicago police made changes to their policy of stopping and searching on the streets, including a requirement to record why stops occur.

439. The manner in which the City implemented the recordkeeping has proved insufficient. Today, Chicago's reliance on unconstitutional stop and frisks has increased dramatically.

**i. ACLU's March 2015 Report and Statistics**

440. Under current CPD policy, Chicago police officers are required to justify their stops on "contact cards." Supervisors are required to review the facts and circumstances of each individual stop, correct the officer, and if necessary, recommend training or discipline to officers who have failed to provide a legal justification for a stop.

441. In March 2015, the ACLU published a report regarding its investigation into the CPD's practice of stop and frisk and the statistics were alarming.

442. The ACLU found that for half of the CPD's stops (based on the sample analyzed), the officer did not record legally sufficient reasons to establish reasonable suspicion. The ACLU also found that a large percentage of Chicago police officers did not record the reasons for the stop, even though the department requires that officers do so. These stops made without sufficient cause violate the Fourth Amendment guarantee against unreasonable searches and

seizures.

443. In many narrative fields, the officers stated that they stopped people for reasons unrelated to a suspicion of a crime.

444. A review of the contact card database for the four-month period of May through August 2014 indicates that African-Americans are disproportionately subjected to stops when compared to their white counterparts. African-American Chicagoans were subjected to 182,048 stops and frisks. This meant African-Americans were the targets of 72% of all stops, despite constituting just 32% of the city's population.

445. Also, there are more stops per capita in minority neighborhoods. For example, in the minority district Englewood there were 266 stops per 1,000 people, while in the predominately white district Lincoln/Foster there were 43.

446. The difference in stop rates among different races also occurs outside minority communities. In Chicago's predominantly white police districts—Near North, Town Hall, and Jefferson Park—the disparity between African-American population and percentage of stops is even more blatant than city-wide data. For example, although Jefferson Park's African American population is just 1%, African Americans make up almost 15% of all stops.

447. Most shockingly, there were more than 250,000 stops that did not lead to an arrest in Chicago for the time period of May 1, 2014 through August 31, 2014. Comparing stops to population, Chicagoans were stopped at a far higher rate than New Yorkers at the height of New York City's stop and frisk practice in 2011.

448. In 2014, there were 93.6 stops in Chicago per 1,000 people (between the months of May-August 2014). By contrast, in 2011, at the height of New York City's stop and frisk practice, there were 22.9 stops per 1,000 people.

449. A review of the contact card database for the four-month period of May through August 2014 indicates that Hispanics are also disproportionately subjected to stops when compared to their white counterparts.

450. Defendants have applied a facially neutral policy, the written anti-racial profiling policy, to Plaintiffs, and similarly situated individuals, in an intentionally racially discriminatory manner.

451. This CPD practice can be exemplified in other policing practices in the City as well. In May 2015, the Tribune documented that “in Chicago, 84 percent of the [DUI] roadside checks [over the past several years] were scheduled in areas populated mostly by minorities while roadways in areas with more DUI-related crashes that are predominantly white are checked less often, or not at all.” Austin, a police district on the West Side, had 10 checkpoints between February 2010 and June 2014. Jefferson Park, a Northwest Side district, had none — even though Jefferson Park had four times as many alcohol-related accidents on local streets. During that span, three of the Chicago’s five predominantly white districts hosted no roadblocks, but each of the 13 districts that are mostly black or Latino had at least five.

452. Upon information and belief, CPD officers are also under pressure to conduct an increasing number of stops and frisks. Upon information and belief, the stop and frisk reports are tracked and evaluated at the CPD’s CompStat meetings where commanders are questioned about their precinct’s crime statistics. CompStat focus gives CPD officers a strong incentive to make and document stops because an officer’s numbers suggest productivity.

453. At one CompStat meeting, Defendant McCARTHY was quoted by the Chicago Tribune stating that “[e]verything will improve if [police officers] get out of the cars and put our hands on people. Make sure your officers are doing this, making out contact cards, and make

sure we are stopping the right people at the right times and the right places.”

454. Through the first 10 months of 2014, officers filled out more than 600,000 contact cards, which exceeds the previous year’s total of 516,000 and is far more than the 379,000 written in 2011, when Defendant MCCARTHY took office.

455. CPD officers are not required to fill out contact cards during “voluntary” interactions with citizens nor if an investigatory stop leads to an arrest. Thus, the amount of stops and frisks performed by police is projected to be significantly higher.

456. Public accounts provide further evidence of unlawful stops and frisks which lack the reasonable suspicion required by the Fourth Amendment and reveal intent to discriminate on the basis of race. In January 2013, the ACLU wrote a memo to Chicago Mayor Rahm Emanuel, Defendant McCARTHY and the City of Chicago’s Corporation Counsel about the importance of monitoring Chicago’s stop and frisk policy.

457. Despite receiving numerous requests by various organizations to conduct stop and frisks within the bounds of the Constitution, the CITY OF CHICAGO and its final policymakers have repeatedly and consciously failed to take appropriate action.

**C. CPD’s Suspicionless Stop and Frisk Practice is a Direct and Proximate Result of Defendants’ Policies, Practices and/or Customs**

458. The Fourth Amendment prohibits police officers from conducting stops and frisks without a reasonable, articulable suspicion of criminal conduct; frisking persons without a reasonable belief that they are armed or presently dangerous; searching and seizing persons without probable cause; or using excessive force in the course of policing activities. Additionally, the Equal Protection Clause of the Fourteenth Amendment bars police officers from targeting individuals for stops and frisks on the basis of race or national origin.

459. The pervasive unconstitutional practices of the CPD are a direct and proximate

result of policies, practices and/or customs devised, implemented, enforced and sanctioned by the City and its policymakers, including Superintendent MCCARTHY, and their confederates whose identities are presently unknown, with the knowledge that such policies, practices and/or customs would lead to violations of the Fourth and Fourteenth Amendments. Those policies, practices and/or customs include: (a) failing to properly screen, train and supervise CPD officers, (b) failing to adequately monitor and discipline CPD officers, and (c) encouraging, sanctioning and failing to rectify the CPD's custom and practice of suspicionless stops and frisks.

**i. Chicago's failure to properly screen, train and Supervise CPD Officers**

460. Although fully aware that the work of the CPD demands extensive training, superior judgment and close supervision, the City and Superintendent MCCARTHY failed to properly screen, train and supervise CPD officers, knowing that such failures would result in Fourth and Fourteenth Amendment violations.

461. Pursuant to CPD General Order G02-04, Superintendent MCCARTHY was required to implement numerous training requirements concerning the written CPD policy prohibiting racial profiling. Upon information and belief, Defendants have failed to properly train and supervise CPD officers, including supervisors, concerning the legal and factual bases for conducting stops and/or frisks that comply with the Fourth and Fourteenth Amendments in an effective manner.

462. The inadequate screening, training and supervision of the CPD is a direct and proximate cause of the CPD's rampant unconstitutional stops and frisks. As a direct and proximate result of the Defendants' failure to screen, train and supervise CPD officers, tens of thousands of people have been subjected to unlawful stops and frisks, many times simply because of their race and/or national origin. By failing to properly screen, train and supervise

CPD officers, the City, Superintendent MCCARTHY, and other City policymakers have acted recklessly and with deliberate indifference to the constitutional rights of those who would come into contact with the CPD.

**ii. Chicago's failure to monitor and discipline CPD officers**

463. The CPD's widespread abuses are also a direct and proximate result of the failure of the City and Superintendent McCarthy to properly and adequately monitor, discipline and take necessary corrective action against CPD officers who engage in, encourage or conceal unconstitutional practices. Among other things, these Defendants knowingly, deliberately and recklessly have failed:

- a. to take appropriate disciplinary action and corrective measures against CPD officers who have engaged in suspicionless stops and frisks;
- b. to adequately monitor CPD officers who have incurred a substantial number of civilian complaints, even in instances where the number of complaints should have triggered monitoring under established departmental guidelines;
- c. to devise and implement appropriate oversight, disciplinary and remedial measures in the face of extensive evidence that no charges are brought against the overwhelming majority of persons stopped and frisked by CPD officers;
- d. to conduct adequate auditing to determine if the stop and frisks conducted by CPD officers comply with the CPD's written policy prohibiting stop and frisks that are not based upon reasonable suspicion and use race and/or national origin as the determinative factor in initiating police action;
- e. to take sufficient, if any, steps to curb CPD officers' non-compliance with departmental directives requiring that contact cards be completed for each stop and frisk;
- f. to take sufficient corrective and remedial action against CPD officers who provide fabricated, false, or impermissible justifications for stops and frisks; and
- g. to take sufficient corrective, disciplinary and remedial action to combat the so-called "blue wall of silence," wherein CPD officers regularly conceal or fail to report police misconduct, *inter alia*, in sworn testimony, official reports, statements to the Independent Police Review Authority (IPRA), the Internal Affairs Division, and in public statements.

464. The City and Superintendent McCARTHY failed to properly and adequately monitor, discipline and take necessary corrective action against CPD officers, knowing that such omissions would lead to Fourth and Fourteenth Amendment violations. By such acts and omissions, the City and McCARTHY have acted recklessly and with deliberate indifference to the constitutional rights of those who would come into contact with the CPD.

**iii. Encouraging, sanctioning and failing to rectify the CPD's suspicionless stops and frisks**

465. With the knowledge that such acts and omissions would create a likelihood of Fourth and Fourteenth Amendment violations, the City and its policymakers, including Superintendent McCARTHY, also have encouraged, sanctioned and failed to rectify the CPD's abusive and unconstitutional practices.

466. Upon information and belief, Defendants the City and its policymakers, including Superintendent McCARTHY, have enacted and enforced formal and/or unwritten "productivity standards" or de facto quotas of a certain number of stops and frisks and specific types of arrests per month for each CPD officer. Upon information and belief, in their efforts to satisfy the productivity standards, CPD officers have engaged in widespread suspicionless stops and frisks of individuals.

467. Upon information and belief, Defendants the City and its policymakers, including Superintendent McCARTHY, have also used a program called the Violence Reduction Initiative (VRI) to encourage Chicago police officers to carry out its widespread and pervasive policy of stops and frisks, with disregard for the fact that large numbers of those stops and frisks are not based on constitutionally sufficient grounds.

468. Upon information and belief, as part of the VMI program, Chicago police officers

are instructed to “post up” in a certain area and/or “saturate” a neighborhood while actively attempting to stop and frisk as many people as possible, ultimately amounting to a practice of creating an unconstitutional drag net of certain neighborhoods by the Chicago Police Department. Upon information and belief, Chicago police officers are told formally or informally that a larger gross number of stops or stops and frisks indicates greater “activity” by that specific police officer, and greater activity gives officers perks, such as more opportunities for overtime pay, choice of vacation days, better chances of promotion, and so forth. This creates the perverse incentive for officers to focus on VRI numbers in order to significantly supplement their income, to the detriment of normal police work and citizens’ civil rights.

469. Upon information and belief, there is also a de facto policy and custom in the Chicago Police Department to take measures to ensure illegal or unconstitutional police activity, such as unconstitutional stops and frisks, are not recorded by police dash cameras or other surveillance equipment. Upon information and belief, dash cameras in police vehicles turn on once a police car’s emergency equipment (e.g. police lights) are activated. Whenever police officers conduct a stop and frisk, they are generally required to turn on the emergency equipment so the interaction is recorded. This is particularly necessary and important when police officers are working from an unmarked police car so citizens are aware that they are dealing with a police officer. Upon information and belief, the Chicago Police Department has a de facto policy and custom where Chicago police officers often do not activate their emergency equipment during stop and frisk incidents, with the intent of denying citizens the opportunity to challenge an unconstitutional interaction.

470. As a direct and proximate result of the above policies, practices and/or customs, tens of thousands of people have been, and will continue to be, subjected to unconstitutional

stops, frisks, searches and seizures by CPD officers, sometimes in violent encounters, simply because such individuals happen to be the wrong color, in the wrong place, at the wrong time. Through such acts and omissions, the City and Superintendent McCARTHY have acted recklessly and with deliberate indifference to the constitutional rights of individuals who would come into contact with the CPD.

**D. Recent Measures Are Inadequate and Insufficient to Eradicate, Curb or Deter the Suspicionless Stop and Frisk Policy**

471. The Chicago Police Department refuses to keep sufficient data about its officers' stops and frisks. For example, only stops are systematically recorded, but Chicago Police Department policies do not require officers to note whether a frisk took place as well. This administrative failure to record data on whether an arrest was made, whether a frisk was made, and the results of a search makes it difficult for police supervisors, or the public, to identify problem areas in order to make necessary policy changes.

472. Contact cards are not required to be filled out if the stop leads to an arrest or an ordinance violation. Currently, CPD officers do not identify on arrest reports whether a *Terry* stop led to an arrest.

473. In April 2014, the CPD changed its policy to limit contact cards to stops and the enforcement of loitering ordinances. This measure has not sufficiently or adequately addressed, much less irrevocably eradicated, curbed, or deterred the CPD's pervasive policy, practice and/or custom of unconstitutional stops and frisks. Thus, despite these policy changes, Plaintiffs, and hundreds of thousands of other individuals, continue to face the imminent likelihood of becoming victims of the CPD's constitutional abuses in violation of the Fourth and Fourteenth Amendments to the U.S. and Illinois Constitutions.

**COUNT 1 – Violations of the Fourth Amendment**  
**(Claims of All Named Plaintiffs and Class Members Pursuant to 42 U.S.C. §1983 Against All Defendants for Violation of the Fourth Amendment)**

474. Plaintiffs repeat and re-allege all paragraphs above as if fully set forth herein.

475. Defendants City, Superintendent McCARTHY, and DOE OFFICERS 1-110 have implemented, enforced, encouraged and sanctioned a policy, practice and/or custom of stopping and frisking the members of the Plaintiff class without the reasonable articulable suspicion of criminality required by the Fourth Amendment. These constitutional abuses often are coupled with unconstitutional searches and seizures and, at times, excessive force.

476. The CPD's constitutional abuses and violations were, and are, directly and proximately caused by policies, practices and/or customs devised, implemented, enforced, encouraged and sanctioned by the City and Superintendent McCARTHY, including: (a) the failure to adequately and properly screen, train, and supervise CPD officers; (b) the failure to properly and adequately monitor and discipline CPD officers; and (c) the overt and tacit encouragement and sanctioning of, and the failure to rectify, the CPD's suspicionless stop and frisk practices.

477. Each of the Defendants has acted with deliberate indifference to the Fourth Amendment rights of the named Plaintiffs and other members of the class. As a direct and proximate result of the acts and omissions of each of the Defendants, the Fourth Amendment rights of the named Plaintiffs and other class members have been violated. By acting under color of state law to deprive the named Plaintiffs and other class members of their rights under the Fourth Amendment, the Defendants are in violation of 42 U.S.C. § 1983, which prohibits the deprivation under color of state law of rights secured under the United States Constitution.

478. The CPD targets African-American and Hispanic individuals for illegal stops and

frisks in areas where Plaintiffs reside and/or visit. Thus, a real and immediate threat exists that the Fourth Amendment rights of the named Plaintiffs and other class members will be violated by CPD officers in the future. Numerous named Plaintiffs have been stopped multiple times, often close to their homes, while going about their daily lives by CPD officers. Moreover, because Defendants' policies, practices and/or customs subject the named Plaintiffs and other class members to stops and frisks without any reasonable, articulable suspicion of criminality, and often on the basis of race and/or national origin, the named Plaintiffs and other class members cannot alter their behavior to avoid future violations of their constitutional and civil rights at the hands of the CPD.

479. The Plaintiffs fear being stopped and frisked under the current policy. Stops, frisks, and illegal searches have taken place even when engaged in normal, everyday activities on or near their own property. The Plaintiffs seek to stop the CPD's current practice in order to relieve themselves of this constant apprehension.

480. The named Plaintiffs and other members of the class have no adequate remedy at law and will suffer serious and irreparable harm to their constitutional rights unless Defendants are enjoined from continuing the CPD's policy, practice and/or custom of unconstitutional stops and frisks, and the policies, practices and/or customs that have directly and proximately caused such constitutional abuses.

**COUNT 2 – Violations of the Equal Protection Clause**  
**(Claims of All Named Plaintiffs and Class Members Pursuant to 42 U.S.C. §1983 Against All Defendants for Violation of the Equal Protection Clause)**

481. Plaintiffs repeat and re-allege all paragraphs above as if fully set forth herein.

482. Defendants City, Superintendent MCCARTHY, and DOE OFFICERS 1-110 have implemented and enforced a policy, practice and/or custom of stopping and frisking the named

Plaintiffs and members of the Plaintiff class without the reasonable articulable suspicion of criminality required by the Fourth Amendment and based solely on their race and/or national origin. These suspicionless stops and frisks have and are being conducted predominantly on African-American and Hispanic individuals on the basis of racial and/or national origin profiling. The CPD intentionally applies a facially neutral policy in a discriminatory manner. As a result, the CPD's policy, practice and/or custom of suspicionless stops and frisks violate the Equal Protection Clause of the Fourteenth Amendment.

483. The ACLU analysis of the available stop and frisk data from police contact cards shows that CPD stop and frisk policy has had a discriminatory effect on African American and Hispanic communities. African Americans make up 32% of the City's population, but made up 72% of all stops. Minority neighborhoods had more stops per capita than white neighborhoods. In white neighborhoods, minorities are even more likely to be stopped than they are in minority neighborhoods.

484. Upon information and belief, the CPD enacted this policy with a discriminatory purpose. Defendants pursued this policy precisely because of the adverse effects it had on the targeted group: African-American and Hispanic men. Defendant McCARTHY has made plain that the point of the stop and frisk program is to have police actively stop and frisk "the right people at the right times and the right places."

485. Additionally, the City was deliberately indifferent to the unconstitutional acts committed by CPD officers through the stop and frisk program. Subordinates of the City carried out the policy at least in part because of the adverse effects it had on African American and Hispanic men, and a reasonable inference can be drawn that supervisors intended those effects to occur. By focusing on the "right people at the right time and the right places," the officers were

following a course of action which was inherently designed to adversely affect the target group, African-Americans and Hispanics, more than others. Despite frequent notice of racial disparities in stops, most compellingly in the ACLU statistical analysis of contact cards, the program remains fundamentally unchanged. Senior officials also have consistently failed to effectively discipline officers for proven violations. These factors show a deliberate indifference on the part of City officials over the unlawful consequences of the stop and frisk program.

486. The CPD's constitutional abuses were and are directly and proximately caused by policies, practices and/or customs devised, implemented, enforced, encouraged, and sanctioned by the City and Superintendent McCARTHY, including: (a) the failure to adequately and properly screen, train, and supervise CPD officers; (b) the failure to adequately and properly monitor and discipline the CPD and its officers; and (c) the encouragement and sanctioning of and failure to rectify the CPD's use of racial and/or national origin profiling in making stops and frisks.

487. Each of the Defendants has acted with deliberate indifference to the Fourteenth Amendment rights of the named Plaintiffs and class members. As a direct and proximate result of the aforesaid acts and omissions of the Defendants and each of them, the Fourteenth Amendment rights of the named Plaintiffs and class members have been violated. By their acts and omissions, Defendants have acted under color of state law to deprive the named Plaintiffs and class members of their Fourteenth Amendment rights in violation of 42 U.S.C. § 1983.

488. Due to the CPD targeting African-American and Hispanic persons in areas where the named Plaintiffs and other class members reside and/or visit, a real and immediate threat exists that the Fourteenth Amendment rights of the named Plaintiffs and other class members will be violated by CPD officers in the future. Numerous Plaintiffs have already been stopped

multiple times, often near their homes, while going about their daily lives by CPD officers. Moreover, because Defendants' policies, practices and/or customs subject the named Plaintiffs and other class members to repeated stops and frisks without any reasonable, articulable suspicion of criminality, and often on the basis of race and/or national origin, the named Plaintiffs and other class members cannot alter their behavior to avoid future violations of their constitutional and civil rights at the hands of the CPD.

489. The named Plaintiffs fear being stopped and frisked repeatedly under the current policy. Stops, frisks, and illegal searches have taken place even when engaged in normal, everyday activities on their own property. The Plaintiffs seek to stop the CPD's current practice in order to relieve themselves of this constant apprehension.

490. The named Plaintiffs and other class members have no adequate remedy at law and will suffer serious and irreparable harm to their constitutional rights unless Defendants are enjoined from continuing the CPD's policy, practice and/or custom of unconstitutional race and/or national origin-based stops and frisks, and the policies, practices and/or customs that have directly and proximately caused such constitutional abuses.

**COUNT 3 – Violations of Title VI of the Civil Rights Act**  
**(Claims of All Named Plaintiffs and Class Members Under Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000(d), et seq. Against the City of Chicago)**

491. Plaintiffs repeat and re-allege all paragraphs above as if fully set forth herein.

492. The law enforcement activities described in this complaint have been funded, in part, with federal funds.

493. Discrimination based on race in the law enforcement activities and conduct described herein is prohibited under 42 U.S.C. § 2000(d), et seq. The acts and conduct complained of herein by the Defendants were motivated by racial animus, and were intended to

discriminate on the basis of race and/or had a disparate impact on minorities, particularly African-American males.

494. As a direct and proximate result of the above mentioned acts, the named Plaintiffs and members of the class have suffered injuries and damages and have been deprived of their rights under the civil rights laws. Without appropriate injunctive relief, these violations will continue to occur.

**COUNT 4 – 42 U.S.C. §1983—*Monell* – Unconstitutional Customs, Policies, and Practices (Individual Named Plaintiffs’ Claims Against the City of Chicago and Superintendent McCARTHY)**

495. Plaintiffs repeat and re-allege all paragraphs above as if fully set forth herein.

496. Defendants City and Superintendent McCARTHY have directly and proximately caused the CPD’s policy, practice and/or custom of suspicionless stops and frisks in violation of the Fourth and Fourteenth Amendments, with deliberate indifference to the constitutional rights of Plaintiffs by devising, implementing, enforcing, adopting, sanctioning and ratifying a policy, practice and/or custom of: (a) failing to properly screen, train, and supervise CPD officers; (b) failing to adequately monitor and discipline the CPD and its officers; and (c) encouraging, sanctioning and failing to rectify the CPD’s constitutional abuses.

497. As a direct and proximate result of the aforesaid acts and omissions, Defendants City and Superintendent McCARTHY have each deprived Plaintiffs of their Fourth and Fourteenth Amendment rights in violation of 42 U.S.C. § 1983.

498. The acts and omissions of Defendants Superintendent McCARTHY and other City policymakers explained herein were intentional, wanton, malicious, reckless and oppressive, thus, entitling Plaintiffs to an award of punitive damages. In engaging in such conduct, Superintendent McCARTHY and City policymakers acted beyond the scope of their jurisdiction,

without authority under law, and in abuse of their powers.

**COUNT 5 – 42 U.S.C. §1983—Unreasonable Search and Seizure/False Arrest**  
**(Individual Claims of Darnell Smith & Darren Nathan against John Doe Officers 1 & 2)**

The conduct of JOHN DOE OFFICERS 1 and 2 in stopping, frisking and searching Plaintiffs DARNELL SMITH and DARREN NATHAN on May 3, 2013, were performed under color of law and without any reasonable suspicion of criminality or other constitutionally required grounds. Moreover, each of these stops and frisks were performed on the basis of racial and/or national origin profiling.

501. As a direct and proximate result of such acts, JOHN DOE OFFICERS 1 and 2 deprived SMITH and NATHAN of their Fourth and Fourteenth Amendment rights in violation of 42 U.S.C. § 1983.

Moreover, this stop and frisk was performed on the basis of racial and/or national origin

profiling.
